A tidy floor from the comfort of your seat

The 250 is a compact, quiet powerhouse that makes tasks like floor cleaning easier. You can easily attach a small cart for cleaning supplies, and it can be fitted with a cleaning mop module. Cleaning has never been so quiet and effortless.

Powerful and green

This compact electric tow tractor packs a remarkable amount of power: with a towing capacity of 250 kg, no cleaning job is too big for it. It's also perfect for easily transporting light loads. Quiet and emission-free, the 250 boasts a powerful, low-maintenance electric motor.

Highly versatile

From hospitals and airports to industrial warehouses, the 250 is everywhere – and for good reason. This electric tow tractor is exceptionally versatile. Its compact size and impressive manoeuvrability make it highly effective even in tight spaces. We can optionally equip the 250 with a range of transport baskets, tailored to your needs.

A compact electric tractor that effortlessly combines cleaning and light transport tasks.
