L

LIFT[®]X

Strong and silent

Versatile jobs call for a versatile, quiet workhorse – and that's where the L comes in. This electric tow tug moves all kinds of trolleys, carts and trailers up to 2,000 kg effortlessly. And thanks to its electric drive, it does so silently and with zero emissions.

Soft and hard surfaces

Our in-house developed electric tow tugs come with high-quality drive systems, providing excellent traction and manoeuvrability. This makes the L perfect for both soft and hard surfaces. From warehouses and industrial sites to hospitals and plant nurseries, this multifunctional companion fits right in.

Higher efficiency, lower costs

Our high-quality electric tow tugs help optimise workflows by letting you get more done with less effort. What's more, the L's low-maintenance battery saves you time, money and hassle.

MMON09138

Basic interchangeable coupling, low,
with pin

VLKA02871

Industrial hook coupling with 25 mm pin
(≈ 0.98 in)

VLKA08649

Industrial hook coupling 90 mm with
25 mm pin and ball coupling
(≈ 3.54 in / 0.98 in)

VMON09638

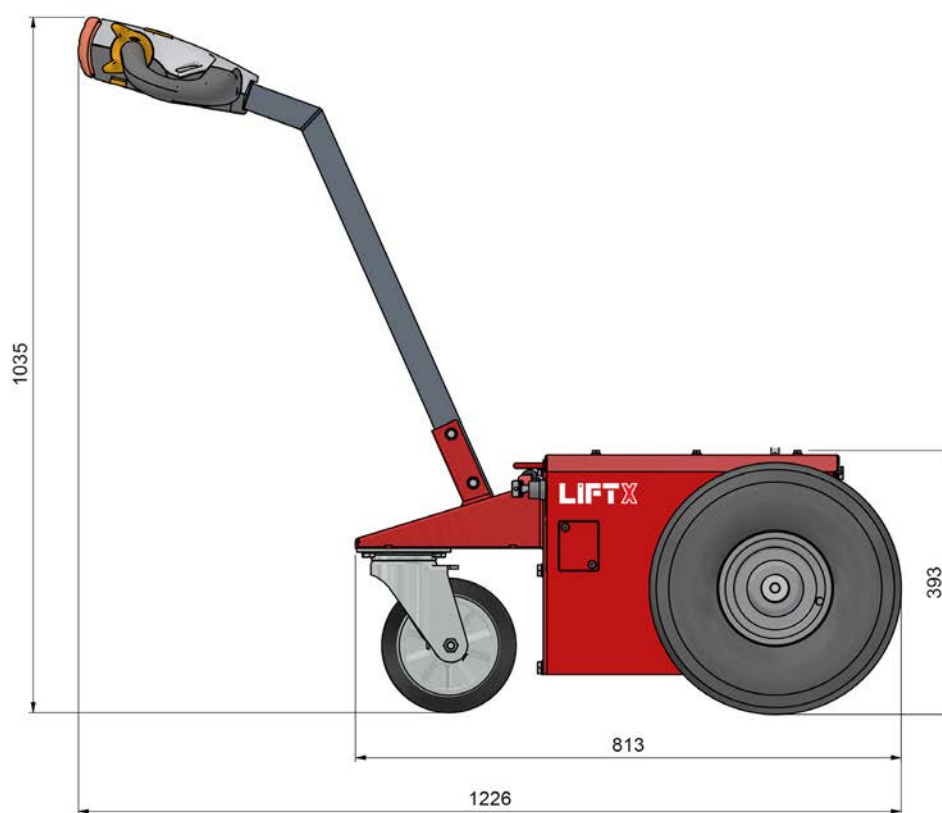

Trolley coupling with quick-lock

VMON10567

Basic interchangeable coupling, high,
with pin

L	
Maximum towing capacity	2,000 kg (≈ 4,409 lbs)
Maximum tractive force	1,250 N
Voltage	24 V
Drive system	Differential drive
Motor	800 W DC
Brake system	Regenerative
Parking brake	Electromagnetic
Horn	Yes
Battery indicator	Yes
Forward speed	5 km/h (≈ 3.1 mph)
Reverse speed	5 km/h (≈ 3.1 mph)
Standard drive wheels	Pneumatic
Steering wheel	Solid rubber
Machine weight including battery	100 kg incl. battery (≈ 220 lbs)
Maximum permissible counterweight	200 kg (≈ 441 lbs)
Dimensions l×w×h	1226 × 817 × 1035 mm (≈ 48.3 × 32.2 × 40.7 in)
Standard battery	24 V 36 Ah lithium maintenance-free
Battery charger	Internal 230 V 11 A
